The Light of Future Arts

H O F B U R G

The Kunstforum Weinviertel in Mistelbach cordially invites you, on the International Day for Dialogue among Civilizations, to the opening of the international travelling exhibition “The Light of Future Arts.”

Under the annual theme “Horse,” 110 artists from China, Austria, and other countries present contemporary works exploring the dynamic interplay between tradition and the future.

Participation is free of charge; registration is kindly requested.
